# WELCOME MESSAGE

The twentieth... Hmm...

I would like to come up with some thoughts and share them with you, but it seems that these thoughts never come at times like this. I have gained countless memories from this sport and from all of you who are reading these lines, from those with whom we have been organizing the HunGarian Baja for 20 years now, and from those who have participated only on a few occasions. I remember everything and everyone! I even wrote down your names in a few places... You can check them out, too! Each day of these 20 years feels like it was just yesterday. Great sporting successes have been achieved, and there were times when the event was only saved by luck despite our best knowledge and efforts. Several times we had to move with the race, and we travelled through this wonderfully beautiful country together with you.

I consider myself very fortunate, because ever since I was a child, I have been playing and engaging in the best ever job, the most beautiful, but also difficult game for me. 21 years ago, I moved to Veszprém from Budapest, because I fell in love with the endless waves of the Shooting Range, the Bakony Mountains, Lake Balaton and the entire region. I felt that I would find my home here, my family, and that I would be able to fulfil all my dreams. And so, it happened!

Sometimes I'm foolish and stubborn. There is no other way for me, only mine. However, this is one of the reasons, why we were able to reach such an anniversary, which I could still hardly believe. At the beginning, it seemed like a dream out of touch with reality, and we could only hope that one day the HunGarian Baja would reach three or maybe five years. Well, now it's the 20th...

However, there is another and perhaps the most important miracle in my life to whom we can be grateful. They are my family! My wife Eszter, my older son Oliver, and my younger son Martin. Thank you for loving and putting up with this fool.

You can read everything else in the Supplementary Regulation and press materials.

I WISH YOU A SAFE AND HAPPY BIRTHDAY, HUNGARIAN BAJA!

Sincerely yours,  
Garamvölgyi Zoltán  
Event Director
