6.1 Obligatory organizer's advertising

We would like to highlight to the competitors the exact placement of advertisements and start numbers, which will be assessed with special attention during the technical check.

10. Technical Check/Scrutineering:

Technical check is performed on the 3rd of November 2023 from 7:30 CET onwards in the service Park. The officials will come by foot to your tent to perform the checks. Please ensure that the team personnel, the required equipment and documents are present.

11.6 Road Book Distribution:

For Friday 2023.11.03. Before Briefing

For other stages @ the PF entry at the end of previous STAGE.

11.9. Electronic start procedure at the start of a Selective Section

Special Procedure for DSS 4,6,8,10:

The DSS 4,6,8,10 are organized with a loop in the selective sections.

In case the official sees that a competitor is approaching on the Race Route and the other competitor is about to start the selective section, the official can delay the start of the competitor due to safety reason with 30 seconds. In this case the official will perform a manual starting procedure for that competitor and perform manual countdown to the newly given start time. The valid start time will be corrected on the time card at the STOP station.

11.10. Service

Service is only permitted after the Service Zone start board and before the Service Zone finish board. Those are marked in the Road book and at the location as well.

In case of any Service park, there is **no time control** check created, before and after the service Zone.
